Curricula Links

This document explains how the Quiz Worx show, 'The Greatest Swap in History', links to and supports the approved curricula for teaching SRE in NSW and RI in QLD.

About the Show

'The Greatest Swap in History' show looks at the incredible news of the Bible that the greatest swap in history is the one that Jesus made for people. When he died on the cross, he swapped his innocence for people's guilt by taking all the wrong things that people do onto himself. What an incredible swap! This swap means that everyone who trusts Jesus can now be forgiven and become friends with God.

Not only that, but Jesus also swapped his death for life when he rose from the dead! In fact, the Bible says that Jesus swapped his death for the life of everyone who trusts in him. Now people can live forever with God, even after they die on earth.

The show highlights this immensely good news and shares with kids that this message is for them. The show features all the energy of a Quiz Worx show, using music, puppets, acting, and a re-telling of Luke 24 to unpack this momentous news.
