Curricula Links

This document explains how the Quiz Worx show, *What is the Way*, links to and supports the approved curricula for teaching SRE in NSW and RI in QLD.

About the Show

There is no bigger question that someone can ask than: "What is the Way to God?" People believe so many different things when it comes to this vital question.

The Quiz Worx show, 'What is the Way?' explains what the Bible teaches. Using the gospel of John, it shows that all the things that Jesus did and said were like signs pointing to who he was: God's one and only Son. As God's one and only Son he knows the way to God. In fact, Jesus *is* the way to God.

The show features all the energy of a Quiz Worx show, using puppets, music, colourful visuals and engaging storytelling, and is sensitive to highlight what the Bible teaches.
